## VOLUNTEER SHORT-TERM PASTOR NEEDED

**Morley Community Church (MCC)** We are a conservative evangelical Congregational Church. We started in 2000 as a group of Christians who lived in the town but worshipped elsewhere. We sensed the Holy Spirit's leadership to start an evangelical church in our town. Sunday worship attendance averages 30 adults & 6 children. Since 1945, the number of churches in the town of over 30,000 declined from 27 to 11 and the remaining churches have very small congregations. A recent survey showed that less than 2% of the adult population attend worship. Thus, the urgent need for evangelism and outreach to people that are resistant to the Gospel. Regardless, MCC is seeking to fulfil the Great Commission.

We experiment with styles of worship and methods of outreach to win our community for Christ. Our outreach includes highly successful youth camps the past 23 summers, annual Vacation Bible Club, Missions Week, youth meetings, and lunchtime Bible clubs in 2 schools reaching 30 children. Community links and a positive high profile with the public are emphasized.

In addition to evangelism and visitation (with members and non-members), the church places a high priority for pastoral leadership on solid biblical preaching, evangelistic endeavor, pastoral care and disciple development. MCC is affiliated with the Evangelical Fellowship of Congregational Churches-UK, (EFCC). The USA equivalent is the Conservative Congregational Christian Conference (CCCC).

MCC will provide housing with bills paid, a car with expenses paid and will reimburse for airline tickets and visa expenses. The pastor will receive no salary or other form of remuneration and must pay living expenses including groceries and the recently established Immigration Health Surcharge fee (gives access to National Health Service).
