## Volunteer Youth Worker

We are Christian believers loving and supporting one another and our community in as many ways as possible. We have stepped out on faith and begun a city-wide youth ministry, Bangor Youth for Christ, which has already caught on! We are praying that God will send a volunteer Youth Worker for 1-year to work with ages 11-18. We need a worker with young ideas and energy who is passionate about reaching young people for Christ.

Three Bangor churches, Penrallt Baptist, St. John's Methodist and Mosaic Evangelical have linked with Youth for Christ to reach out to young people. Our church members serve in this start-up ministry but need help!

One Youth Worker's Experience: "I had a life changing experience working with children and youth at Headland Baptist Church (HBC) in Hartlepool, UK. My faith in God grew as I helped young people grow closer to the Lord. My ministry partner and I helped HBC grow their children's ministry through youth meetings, games nights, holiday club, outings, working in schools and teaching Bible classes. We lived in the homes of very gracious church members and made lifelong memories." - Brittany Clement, nee Currier.

Bangor Youth for Christ will provide meals and accommodations. Volunteers will be responsible for fundraising for travel, visa, and medical insurance costs.
